Dear Mr. Morell:

The Publications Review Board has completed its review of your request for reconsideration of one photo submitted 29 July 2014. The Board is withdrawing its objection to the cropped photo.

If you add material to or change the text the Board has approved for publication, you must submit these additions or changes to us before giving them to your publisher or anyone else. In such a case, please mark or otherwise clearly indicate the new material so we can expedite our review. Additional material that must be submitted include, but is not limited to, photographs, photograph captions, illustrations, diagrams, tables, charts, indexes, glossaries, or maps.

You must submit the galley proofs (or other final-version formats) of the final manuscript as it will appear in book form so the Board can verify that the published version is the approved version. Your responsibility as the author is to ensure that the publisher publishes only the Board-approved version. Since this final review may take up to thirty days, please ensure that the publishing schedule permits adequate time for the Board to complete its work. The Board gives these reviews high priority because it knows that authors and publishers have firm deadlines.

The Board appreciates your cooperation with prepublication review. Please do not hesitate to contact the Publications Review Board at (b)(3) CIAAct if you have any questions or if we can be of further assistance.

Sincerely,

(b)(3) CIAAct
